Year 11 Hospitality Excursion to Sydney

Day One

On Monday 20th October, 15 Year 11 Hospitality students travelled to Sydney with Ms Lynch and Ms Howarth to experience what the world of Hospitality has to offer. Once we arrived in Sydney we headed off to TAFE to where we were met by one of the TAFE teachers Maria, who gave us a tour of the Hospitality facilities at the Ultimo Campus. This included a hotel room for housekeeping students to use, a Baker’s kitchen, two commercial kitchens, a café and a restaurant and bar facility. Students got to see many classes in action and Ms Howarth even got to meet up with her old TAFE teacher, Francis! This gave students a real inside into all that is on offer to students in Hospitality training. We then were able to experience the student’s food, as we dined in the restaurant for a 3 course lunch. It was delicious!

Next we hopped on the train and made our way to Circular Quay, before walking to the Intercontinental Hotel. Sitting in the Cortile Lounge at the Hotel, we experienced a delicious afternoon tea which consisted of macarons, rhubarb crumble tarts and scones with jam and cream. Next we met with Sylvia, the hotel’s Human Resources Development Officer, and she gave us a ‘behind the scenes’ tour of the hotel. She spoke to students about the different career opportunities available as we wandered through the key departments of the hotel including the large function rooms, the commercial kitchen and the restaurants. This allowed students the opportunity to grasp how a large hotel works and how each of the departments interact with one another. A huge thank you must go to Sylvia and the Intercontinental hotel for giving up your time to chat with our students and for allowing us to tour their amazing hotel.

The next stop on our itinerary was a trip to Pitt St Mall for a spot of shopping. After this we then headed over to Hyde Park and experienced the Night Noodle Markets. Students had a large range of Asian dishes to choose from for their dinner, with many of them tasting foods that they had not previously experienced. It was a great way to finish off Day One of our trip.

Day Two

We headed out nice and early to catch the light rail to the Sydney Fish Markets. Here our tour guide Alex showed us the Auctioning system and we got to have a look at many of the different types of seafood that the Fish Markets has on offer. Some students (and one teacher, talked into by the students) were brave enough to hold a mud crab. And not just any mud crab, Alex made sure he chose the liveliest one for us to hold!
We then travelled to Sydney Tower in the heart of the city. Here we had a tour of the function and kitchen facilities and a talk about the logistics of the day to day running of an establishment of its size. We then got to dine in the 360° Restaurant at Sydney Tower. This restaurant revolves so that you are able to see all of Sydney whilst enjoying a buffet lunch. The buffet was delicious with foods from a variety of cultures to tempt everyone’s tastebuds. But I think everyone’s favourite was dessert!

Our last stop for the excursion was a trip to Adrianno Zumbo’s Patisserie Stall in the QVB. Our students lapped up the opportunity to buy one of Adrianno’s exquisite desserts and try some of his amazing macarons.

It was a fantastic trip away that was enjoyed by all and our students were fantastic representatives of Nobbies.
Dear Parents and Members of our School Community

Welcome to week 4. We are almost at the end of the HSC with only Visual Arts, Food Technology and Retail Services to go this week. I would like to take this opportunity to thank each and every one of our senior students and their families for the way they have conducted themselves over the past four weeks of the HSC. It is a stressful time of the year and our students have been exemplary in the way they have performed and engaged with their exams. Students now receive a well deserved break before attending their final graduation on Friday 21st November at the Orange Function Centre. I look forward to seeing all of our Year 12 students and their families on this evening.

Year 11 Reports
All Year 11 semester two reports will be mailed home in the week beginning 3rd November. If you have not received your child’s report by the end of next week, please contact the school on 63621677.

Year 7-10 Exams
All students in the junior school will begin their exams in week 6 (10th November). Please encourage your child to attend the homework centre on a Tuesday afternoon to begin preparing for their exams and encourage your children to spend at least an hour per day revising and studying for their yearly examinations.

Gallipoli 2015
Last week I was fortunate to be able to chair a panel of local representatives to select our four students to attend Gallipoli as part of the NSW School Tour in 2015. It was an extremely difficult decision however, in the end we were able to choose four extremely worthy candidates who will represent our school and wider community with impeccable pride, passion and emotion. The students will be notified during December once the NSW Government has approved all travellers. I would like to thank the students who worked so hard preparing their submissions and congratulate all students who applied to attend this once in a lifetime commemoration. Our future is in very good hands with the students of our school as future leaders.
Thankyou also to our panel Mr Andrew Gee MP, Mr Dave Carson (HR Manager Orange Ex Services Club), Mr Chris Colvin (Vice President Orange RSL Sub Branch), Mr Wayne Penrose (parent representative) and Ms Kirsten Hutchinson (teacher representative) for your efforts and support of this process.

Bring Your Own Device
An information afternoon will be held on 11th November detailing the school’s plans for technology into the future. We will have staff representatives as well as local businesses present on this afternoon showcasing our preferred BYOD technology for 2015 and beyond.
BYOD – Bring Your own Device

What’s on:  BYOD Parent Information Afternoon

What’s BYOD? Bring your Own Device
From 2015 students will be able to Bring Their Own Device (BYOD) of choice provided the computer complies with certain features. At Canobolas High, the integrated use of computers in classrooms will allow students, teachers and parents to work creatively together, changing the way our students learn. As learners in the 21st Century so much more, in terms of digital skills, creativity and accessing information will be demanded of them and a computer device will be essential to learning. The school has laptops and ipads for classroom use, however, students will now be able to, bring their own devices to school, if this suits.

Date:       Tuesday, 11th November 2014
Time:       5.30 pm – 6.30 pm
Where:      Canobolas High Health Building

What will be covered at the meeting?:
- The BYOD concept and policy will be explained and where Canobolas High is headed leading the way in technology use in classrooms.
- What sort of devices are suitable for school use
- Students agreement for use
- Some retailers will also be at the meetings with suitable models on display

School Planning
We are busily planning for 2015 and looking at where our priorities will be focused over the coming 3-5 years. A planning team consisting of staff, students, parents, community members and other important stakeholders meet regularly. If you would like to be involved in the school planning team, please contact Judith Bertolin (Deputy Principal) on 63621677.

P&C Meeting
The final P&C Meeting will be held on 12th November at 6.30pm at the Parkview Hotel. If you would like to attend the last meeting of the year followed by dinner please email the president, Keryn Percival through ikpercival@bigpond.com

I hope you have a wonderful fortnight and I look forward to speaking with you in week 6.

With my warmest regards

Chad Bliss
Principal
Support News

Special Olympics National Games
From October 20-24 three Canobolas High students represented NSW at the Special Olympics National Games in Melbourne.

Siena Boland, Harrison Betts and Dylan Pulbrook were all involved in the largest ever basketball competition, with 22 teams from all states competing. Siena was a member of the Gold Medal winning Open Women’s team. She was joined by former student, Eliza Mills. On the path to the final, the women’s team easily accounted for Victoria (29-17 and 33-15) and South Australia (43-16 and 42-18). In the Gold Medal Game, NSW easily accounted for a very physical Victoria (32-7).

Dylan and Harry were both integral members of their Bronze Medal winning Open Men’s Division 2 team. During the round robin stage of the competition NSW easily defeated ACT (52-28). They were defeated by eventual champions Queensland (31-23) and lost a very evenly matched game to Victoria (23-19). In the Bronze Medal Game, the boys defeated ACT (41-23).

Former students Eveleen Wallace and Dean Pallier also competed, with Eveleen’s team winning Gold in the Mixed Division 2 and Dean, along with Mrs Dederer, winning Gold in the Open Men’s Division 1.

Table Tennis
A new addition to the Support Unit has been a table tennis table. Several students have enjoyed playing in a round robin competition each recess and lunch.

A certain principal slunk away last week with his tail between his legs after being soundly thrashed by the star player. It is thought that he practiced all weekend to come back again and proclaim himself King of Ping Pong.

The students are waiting for his return and have been putting maximum time into upskilling themselves in order to beat the King.

The challenge is out there... but where is he?

by the Ping Pong Groupie
Congratulations to Charmaine O’Malveney (Year 10) and McKenha Elliot (Year 9)! They have been accepted to attend a Women in Engineering summer camp at the University of Wollongong in January. This will give these two motivated engineering students the chance to experience studying at university, life on campus and explore a future pathway in engineering. Have a great time girls!

We also ❤️ Festool tools!

Recently we invested in a state of the art Festool Domino joiner. This is a cross between a biscuit cutter and dowel jig, specially made for a range of furniture making joints. Dan from Festool tools stopped by Canobolas to run a before-school training session for IA staff and a few super-keen Year 10 Timber students.

The Domino has arrived just in time for our latest batch of Year 12 Industrial Technology Timber students. As they are considering their 2015 major timber projects which will include some Domino joints and be sure to impress the HSC markers in Term 4 next year!

And we ❤️ major project time!

Speaking of major projects…. We will be holding an information evening for all Year 12 2015 Industrial Technology Timber and Design and Technology students on Tuesday 11th November at 6.30pm in the Health Building (After the BYOD information session). Here IA staff will run through the requirements of the major projects for parents and give hints and tips on how they can support their child on getting the most from the major project.

If parents are unable to make it, please contact Mr Scott for an alternative time to receive the information.

Mr Scott
Head Teacher Industrial Arts

For more information contact:
Mr Scott at CRTHS
Year 12 – Signing Out
As the HSC examinations come to an end, many Year 12 students will be going through the process of signing out of school. As part of this process, Year 12 students need to return any texts that they have borrowed from the English faculty throughout their studies at The Canobolas Rural Technology High School. Without the return of these texts, it will not be possible for them to complete the sign out process.

Study Skills Workshop
On Monday 3rd November 2014, Year 11 students will participate in the Senior Study Skills Workshops, equipping them with the knowledge and skills to actively engage successfully with their Stage 6 studies. One of the sessions will feature essay writing, focusing on structure and content with the English faculty’s very own Mrs Jackson and Ms Fearnley. This session is extremely important for students studying English as writing makes up such a large component of the course. I would encourage students to participate fully on the day, ask questions and make a strong effort to use the skills that they gain from these sessions back in their classes.

Junior Examinations
As Term 4 moves forward at a rapid rate, it is that time of year again when students in Years 7-10 begin preparing for their yearly examinations. To adequately prepare for these important assessments, I would encourage all students to carefully revise their English books, work hard and focus in class to ensure that they are in a position to achieve the best results possible.

Upcoming Assessment Tasks:
Use the table below to quickly view when upcoming assessment tasks are due. Students should check with their classroom teacher to confirm the specific due date for their class during the following weeks:

LOVED THE HUNGER GAMES TRILOGY?
If you liked the Hunger Games but thought it needed more rules, then read the new trilogy by Veronica Roth which will have you just as enthralled and riveted, ripping the pages in a reading frenzy.

Chicago in the far future is divided into five factions. Abnegation for the selfless, Amity for the peaceful, Candor for the honest, Dauntless for the brave and Erudite for the intelligent. Those who are of equal aptitude for more than one faction are deemed divergent and thus a threat to society. Divergent was made into a movie in 2014, with the second in the series, Insurgent to be released as a movie in 2015.
Concerts, Shows, Workshops - Performing Arts a-plenty in October/November.

Orange Theatre Company’s Youth Production of Seussical the Musical closed its two-week run with the final two shows on Saturday 25th October. Ellena Hicks (Year 9) and Laura Alexander (Year 10) enjoyed every moment of rehearsing and performing on stage as ‘Whos’ in the musical production. Jacinta Percival (Year 10) worked backstage with Nick Tucknott to coordinate the set for each scene while Gemma Chapman (Year 12 last year, and currently on Uni break from her Music degree) played in the band.

Congratulations to all involved as this was a spectacular showcase of our town’s talented youth.

Orange Theatre Company’s next production Annie, will be staged in May next year. Check the newspaper and Music noticeboard for details of auditions which will be held later this month.

Next Big Thing

The winner of the Lander’s Music Next Big Thing Competition is Orange’s James Croke. He will open for Australian band, Stonefield at Orange Ex-Services Club on Friday 31st October. Doors open at 7pm. This is an all-ages gig and tickets are only $12.50 and can be purchased through Landers Music.

Rising Stars

TCRTHS Choirs – ViiVox and VocE will combine to perform in the Orange leg of the Rising Stars Western Tour. This concert is a showcase of graduating Sydney Conservatorium of Music vocal students, and talented local youth. Our choirs were selected to represent Orange, after they were heard by members of the Rising Stars group at the Orange Eisteddfod earlier this year.

Saturday 1st November, the students will rehearse in a workshop with the Sydney Conservatorium Rising Stars, and then perform in the concert at the Orange Regional Conservatorium at 7:30pm. Year 9 student Ellena Hicks, will also perform a solo during the concert.

After this concert, our choirs will be rehearsing repertoire for a choral workshop with nationally revered music educator, Richard Gill on 21st November.

WICKED

Canobolas Music students are reminded to pay the balance of their ticket for our excursion to WICKED The Musical on 19th November.
Canobolas High Performance Athlete’s- “Getting the Right Balance”
A Unique Program to Assist Students in Achieving Sporting and Academic Goals

The selection committee has had a difficult task processing applications from students who have applied to be part of the 2015 Canobolas High Performance Athletes Program. The committee has been very impressed with the level of talent and commitment reflected in the applications. Canobolas High School is proud to announce that first round placement offers have been made to

- Harrison Betts (Basketball)
- William Christopherson (Rugby League, Touch)
- Jack Connors (Athletics)
- Samantha Coppock (Dance)
- James Gogala (Basketball)
- Matthew Gray (Basketball)
- Aidan Kelly (Softball)
- Georgia Kiel (Softball)
- Emily Melnik (Football, Dance)
- Emily Merchant (Dance)
- Kane Mitchell (Rugby League, Touch)
- Erin Naden (Netball, Touch)
- Callan Naden (Rugby League, Touch)
- Harry Pearce (Cricket)
- Alyssa Reid (Dance)
- Mackenzie Reith-Snare (Softball, Hockey)
- Bradlee Roberts (Lawn Bowls)
- Ben Zegzula (Basketball)
Girls League Tag Success

On Thursday 23rd October, the girl’s league tag team attended the Grenfell CRL League Tag Gala day. It was a hot humid day, the girls were not used to these conditions but they still showed they were top competitors.

The girls played Henry Lawson White in their first game and managed to come away with a win 2-1. Henry Lawson was the first to cross the line, but this was closely followed by a try from Erin Naden. Erin made a break through the defence and stepped her way through to find the try line. There were some great hard runs from Samantha Coppock and Destinee Navale, making lots of metres for the team. Although time was starting to tick down and the girls needed to score. The ball was spread out wide to find an overlap, where Kyiesha Dixon was able to beat the full back and score. This first win helped the girls realise they were skilful enough to be a challenge to the rest of the teams.

In our second game we took on Henry Lawson Blue. This team was very structured and it was clear to see they had done lots of training. Henry Lawson Blue started hard and fast and had one talented player who managed to run around and cross the line twice. The girls managed to bring the score closer to 2-1, when Erin Naden the miracle worker scored showing her speed down the middle, although just before half time, Henry Lawson Blue made a break down the outside and took the half time score in their favour 3-1. Despite the score, the girls went back on in the second half with a positive attitude and worked hard. The girls’ defence was outstanding and Henry Lawson Blue soon became frustrated as Canobolas kept shutting them down. They started to play unpredictable league which had the opposition on the back foot. Emily Melnik put a grubber kick across field where Nailani Lang showed great hand skills to regather the ball and then spread it out to Kyiesha Dixon who scored. Then not long after Jada Murphy showed her side stepping skills and darted through to level the score 3-3. With only minutes remaining Kyiesha Dixon read the play and took an intercept to run the field and claim the victory 4-3.

The girls were definitely feeling the heat by the third game, with the temperature hitting the 30s. We faced a classy Red Bend White side which were considered our competition for the day. They also were undefeated. Red Bend White showed some great attack and speed early with 2 quick tries in the first half. Once again Erin Naden showed her magical footwork and managed to make the defence look like they were standing still, taking the score to 2-1. Just before half time Red Bend White took advantage of our fatigue and scored out the left side. Going into the second half down 3-1 the girls knew they had to lift the intensity and start trying some things. The girl’s great defence denied Red Bend a few tries, with try saving tags from specialist winger Sammie Kudrins and fullback Kalika Fuller. Then Nailani Lang threw the dummy and saw herself in some open space where she didn’t look like being stopped. This took the score to 3-2. With only a few minutes left, the girls knew the clock was ticking and started to play panic Football leaving the score in favour of Red Bend White.
The fourth game we played Red Bend Blue. The girls were exhausted by this stage and played a bit sluggishly. They were already guaranteed a spot in the semis, so the girls were conserving their energy for the next game. The score stayed at 0-0.

The girls finished 2nd and were to meet Henry Lawson White again in the semi finals where they played their best game of the day. They came out firing and showed that they wanted to win. Erin Naden ran the length of the field to score an awesome try. Then Emily Melnik weaved her way through the middle and crossed the line. The girls' defence was excellent, with some awesome diving tags from Emily Melnik, Kalika Fuller and Nailani Lang. In the second half, playmaker Emily Melnik found some space and offloaded to her winger Emily Merchant who ran to score. This took the final score to 3-0.

The victory meant that the girls would play Red Bend White in the grand final. This was the only team the girls had lost to, so they knew it was going to be a tough encounter. Red Bend White displayed speed out wide and managed to score 2 tries, but it wasn’t long until Nailani Lang, the superstar, grubbered through the defence to regather and score. Red Bend was proficient in attack and with everything going their way, managed to put three more tries on us. Just before half time Emily Melnik, the little terrier, picked up a loose ball and ran to score. This saw the half time score 5-2. The girls were wrecked but continued to give it everything they had in the tank. In the second half Erin Naden made a magnificent effort and go, to find some space to score. This took the final score to 5-3. All girls played exceptional, congratulations to Nailani Lang who was selected by the referee and given Player of the Match for the final and to Emily Melnik who got Player’s player for the whole day. The girls showed great sportsmanship and commendable behaviour on the day and should all be very proud of their performances. Congratulations girls.

**PDHPE Assessment Reminders**

<table>

<td>Term 4</td>
</tr>
</tbody>
</table>

#Please check the table above for your class.

**PDHPE TOPICS**

- Year 7 ‘Eat Right, Be Right – Healthy Lifestyle
- Year 8 ‘Look at me it’s Puberty’ into It’s My Body, It’s My Call- Relationships
- Year 9 ‘Let’s Talk About Sex’- Choices and Consequences
- Year 10 ‘Move it Your Way Everyday’, Active for the Future into ‘Learn and Earn’
- Year 11 HSC Core 1

All students will have some form of assessable task to complete this term. For some years it will be in the form of an exam and others a set task to be completed in class / at home.

It is important to remember that the marks from assessment tasks are combined with students’ effort and participation in practical lessons, to form a grade for reports. Non completion of assessment tasks limits the ability of teachers to accurately assess each student fairly. All work must be completed and handed in on time.
SPORT CHANGES TERM 4...

Please discuss the information below with your son/daughter. There are 7 venues and activities available to students. They MUST PARTICIPATE IN 1. Wednesday 9/10 Sport time between 11:16am – 1:02pm

Active participation and student compliance with instructions are compulsory.

<table>

</table>

Please note:- # Swimming and multi-sports are no longer running.

#Students in FULL SCHOOL SPORTS UNIFORM who are ACTIVE in sport at the Bowling Alley and PCYC will be the only ones leaving the school via bottom Icely Rd pedestrian gate after roll call and uniform check.

## If you are removed from PCYC or Bowling Alley for not conforming to the requirements you will attend A5 Sports Detention until further notice.

If you have any questions or queries please feel free to contact the school to discuss the matter.

Mr Skein
Head Teacher PDHPE
Year 10 Crossroads Senior PDHPE Camp

Where- Sydney Academy of Sport and Recreation- Narrabeen

When- Wednesday 3-12-14 returning Friday 5-12-14 (Wk 9 Term 4)

Who- All current Year 10 students

General Details-
As a student of Canobolas High School Year 10 you are invited to our 1st Annual faculty based trip to be held at Sydney Academy of Sport.

Crossroads is: A Personal Development and Health Education Course for Stage 6 which is mandatory for students in NSW public schools. Schools are to implement Crossroads for a minimum indicative time of 25 hours. The course extends the learning experiences of students in Years 7-10 Personal Development, Health and Physical Education. Course content is divided into two focus areas:

- Working at relationships
- Drug issues

If your son/daughter is unable to attend, school will run as normal during camp time and they will complete an alternative theory/online activities booklet to be submitted to the Principal for accreditation of course completion before the commencement of the 2015 school year.

For those who are able to attend the course in Sydney we will be leaving Orange Railway station at 6:00am on Wednesday 3 December and travelling via Mt Panorama Coaches to Narrabeen where we will be hosted by ‘Sydney Academy of Sport’. We will participate in a variety of theoretical lessons based on Drug education and Safe and Respectful Relationships, along with practical challenge recreational activities such as canoeing, high ropes, archery, sailing, rock climbing and other sport and recreation activities. On Friday we will return to Orange, arriving in the evening approx 7:00pm to the Orange Railway Station.

For more information about the program and accommodation you can check out:- http://www.dsr.nsw.gov.au/yacademy/

What to do next-

Get a note from the PDHPE staffroom.
If you have any questions or queries please contact:
  Baden Curran (Year Adviser) or
  Mark Skein (Head Teacher PD/H/PE) Ph 63621677
WARATAH’S SOCCER CLUB
WOMEN’S TWILIGHT
SOCCER COMPETITION
COMMENCING
MONDAY 10 NOVEMBER, 2014.

We are looking for girls and women to play twilight soccer in a women's only competition. The competition is not only aimed at experienced players but also novice players who have always been interested in playing soccer but felt they lacked the necessary skills. So mothers and daughters, aunties and nieces, friends, work mates, neighbours, students and teachers and any other interested girls and women - here is your chance to put on the joggers (no soccer boots) and take to the field to have fun and increase your fitness levels. So why not get your Team of 10 players together and join the fun? All you need to do is organise a team and complete a nomination form. You will also need to choose a team name and shirt colour.

Anyone interested in playing but who is unable to form a Team please contact us and we will organise for you to be placed in a Team.

Venue: Waratah Sports Ground, Telopea Way, Orange
Time: 6:15 pm
Cost: $60.00 (Adults)
      $50.00 (Students)
      $40.00 (School Students)

For further information please contact:
Darren Sinclair – 0419 293 952
Robyn Churchland – 0405 604 126

Nomination Forms and Rules available from the Waratah Sports Club
Nominations close 1 November, 2014.
