Catering for the DDG Visit

On Thursday 5th June our Hospitality: Food and Beverage class catered for the Director General’s visit. Our students prepared a range of tempting morsels including mini chicken burgers, sausage rolls, caramelised onion and goat’s cheese pizzas, vegetable frittata and Caesar salad, just to name a few. All students did an extremely good job demonstrating excellent skills in food preparation, as well as skills in leadership, communication and teamwork. Mr Bliss received lots of positive feedback from visitors in attendance, commenting on the high standard of delicious items on offer for lunch. Congratulations to all students involved in this event.

Transition Afternoon Tea

Over the past 4 weeks, Year 6 students from Bletchington Public School have been participating in a Hospitality Transition Program held in our school kitchens. Students learnt about safety in the kitchen, the importance of good personal hygiene and tools and equipment used in food preparation. They also developed their knife skills and food preparation skills whilst preparing a range of delicious snacks including fruit kebabs, vegetable nachos, vegetable rolls and choc-chip banana muffins. To mark the end of the transition program, an afternoon tea was held. Students served parents, grandparents and friends their freshly made banana choc-chip muffins and an assortment of fruit. The afternoon tea was a great opportunity for students to share their experience at Canobolas with their families and celebrate the success of the program. Hopefully we will see many of these students at Canobolas next year as part of our Year 7 cohort.

Merryn Lynch

Head Teacher

Home Economics
Dear Parents and Members of our School Community

We are quickly heading towards the tail end of term 2 and continue to be exceptionally busy at our school. Students in Years 7-10 have just completed their half yearly exams and I look forward to seeing some wonderful results over the coming weeks. It is important that students learn from the feedback they receive after this exam period and they take on board recommendations from the teaching staff about ways to improve. If you have any questions regarding the progress of your child, please do not hesitate to contact the school.

**Congratulations**

I would like to congratulate two students who were recently selected to represent NSW schools in the Combined High Schools (CHS) carnivals later this year. Feleti Mateo has been selected in the NSW CHS Rugby League Team and Mac Reith-Snare has been selected in the NSW CHS Hockey team. This is a huge achievement for both boys and we are extremely proud of them. I am sure they will both represent our school for NSW with the highest level of sportsmanship and competitiveness.

**School Spectacular**

Another congratulations to our combined dance ensemble who have been accepted into the NSW Schools Spectacular performance in November at the Sydney Entertainment Centre. The School Spectacular is the pinnacle of performing arts for the Department of Education. We have 12 students who will represent our school at the Spectacular. Tickets will go on sale in July. Having been at the past five school spectacular performances, I can highly recommend this performance to all of our families.

**School Uniform**

With the cooler weather upon us, I remind all parents again of the need to have students wearing the correct school uniform at all times including school jumpers. If parents are unable to provide the necessary uniform for their child, please make an appointment to speak with myself or Ms Lindsey who will arrange something for you.

**E2 Collaboration**

It is with great pleasure that I can confirm that the e2 collaboration between Orange High School, Molong Central School, Blayney High School and Anson Street School will continue to grow in 2015. All schools have committed to the future of e2 and as a collaboration, we are working towards what the next phase of the collaboration will look like. This is fantastic news for our students as it continues to ensure a strong educational provision for our students into the future.

**New School Gym and Dance Studio**

I am pleased to inform our school community that we have finished works on our new school gymnasium and dance studio. We now have a brand new refurbished dance studio to support our dance program and a state of the art gymnasium to support cardiovascular, strength and conditioning programs for our students. Both of these facilities will be opened in the coming weeks and I am sure your child will see some wonderful benefits from these new resources.

**P&C Meeting**

A reminder that the next P&C meeting will be held on Wednesday 11th June beginning at 6.30pm in the school admin building. All parents and community members are welcome to attend. If you require further information, please contact the president of the P&C, Mrs Keryn Percival on ikpercival@bigpond.com
Deputy Secretary Visit
On Thursday 5th June, Canobolas High School was fortunate to host a visit from the Deputy Secretary of the Department of Education, Mr Greg Prior. Mr Prior spoke to Principals from the Orange and surrounding networks about the state of education in NSW and the initiatives the Department have actioned to continue to promote public education in NSW. It was fantastic that Mr Prior was able to see what Canobolas has to offer and to meet some of our students.

I hope you have a wonderful fortnight and I look forward to speaking with you in two weeks’ time.

With my warmest regards

Chad Bliss
Principal

Welfare News

Welfare Words

Term 2 continues to be a very busy one...with the introduction of the new merit system and our new merit cards. This term there will be a focus on the collection of merit points, working towards the bronze, silver and gold medallions and the introduction of the “Student of the Term” award. To qualify for this award you need to be nominated by your teacher. These nominations are then reviewed by the LST committee and finally voted on by all staff. Recipients of this award receive a special certificate worth 15 small merit points and a $20.00 iTunes voucher...so keep working hard in class, around the school and participating in community and extra-curricular activities so you can be nominated by your teacher.

A youth forum is to be held in Orange on 25th June. Students in Yrs 9 -12 are invited to attend. A flyer for this event is attached at the end of this newsletter. We have students from the SRC and our Anti-bullying Ambassadors attending on the 25th June, but if parents and care givers are interested in attending Workshop 2, please register using the contact details on the bottom of the flyer.

Two Interesting Websites that may be of interest to both Parents/Caregivers and Students.

http://www.headspace.org.au/ headspace provides mental and health wellbeing support, information and services to young people and their families across Australia. Established and funded by the Commonwealth Government of Australia in 2006, headspace is the National Youth Mental Health Foundation. The people that work at headspace are providing solutions for young people aged 12 to 25 years.

http://www.aracy.org.au/ ARACY (Australian Research Alliance for Children and Youth) is a national non-profit organisation of more than 1000 members (organisations and individuals), working to create better futures for Australia’s children and young people. ARACY’S vision is a future in which: Australia’s children and young people thrive and their wellbeing is a national priority. ARACY’s purpose is: To improve the wellbeing of children and young people, by advancing collaboration and evidence-based action.

Finally, if you have any welfare concerns regarding your child, then please don’t hesitate to contact me at the school.

Ms. G. Lindsay
HT Welfare.
ART
Holly Tindall with her entry for the Youth Week Art Competition. Jayden Foley working on a mural to be placed outside the Japanese Language room, B15 of Japanese anime legend, Astro Boy.

Year 12 HSC Art students are working at full speed on their art body of works. Featured here are details of work by Alex Brown and Ebony Parkes. Both students are painting with oils on canvas. Alex work is exploring her love of horses whilst Ebony is creating abstracted representations of the central western sky.

Gallery
Works by Year 11 Visual design students placed on skateboard decks, exploring contemporary urban imagery and a series of three indigenous images by Year 7 students who have explored the styles of central desert painters. This work is under consideration by Orange City Council to be made into a giant sticker to be placed on a wall at Glenroi Oval.

Mr Geoff Pelley
Head Teacher
CAPA
Year 12 Major Projects

Time is slowly running out for student in Industrial Technology Timber and Design and Technology to complete their major projects. These are marked by travelling examiners from the Board of Studies and count towards the HSC.

IT Timber is due at 8am Tuesday August 5th. Design and Technology is due at 8am Tuesday August 19th.

Remember support is available from all Industrial Arts staff until these dates, including out of class time, and there is the Year 12 Study Centre on Thursday afternoons in the library.

9 Design and Technology

D&T focusses on using a design process to solve problems that we come across in our everyday lives. This term, 9 D&T have been tasked with designing a casing for a USB thumb drive, our problem being that many students were losing their work when working on shared laptops!

We started with sourcing some older 8GB USB thumb drives to use their circuitry from taking the measurements from the USB innards, 9 D&T then researched existing thumb drives, sketched a range of ideas then we used SketchUp to draw a 3D computer design for 3D Priting, based on a template to suit the circuitry.

10 Industrial Technology Engineering

On Friday 6th June, 10 Engineering travelled to University of Wollongong as part of an inaugural trial for the Aeronautical Velocity Challenge (AVC). This is an initiative of the Institute of Industrial Arts and Technology Education (iiate). The AVC uses the design and testing of water powered rockets and electric gliders in a competition format to promote Engineering as a career.

Its widely reported that there is a shortage of people studying STEM subjects like Engineering, science and mathematics at school, TAFE and University, and the AVC is one way the iiate hopes to help address this shortage.

TCRTHS is one of four schools selected from around NSW to participate in this trial. Keep an eye out for photos and results in following newsletters and the school Facebook page.

Mr Scott

Head Teacher, Industrial Arts and Computing
Canobolas High School Students to Attend School Spectacular!!

We are very excited to announce that for the very first time The Canobolas Rural Technology High School, will be participating in the School Spectacular in the Combined Dance Section. This is a fantastic opportunity for the students to participate in this state spectacular. Canobolas High School sent in an audition tape in April and were lucky enough to be offered 12 positions in the Combined Dance Section.

The School Spectacular performance will be held at the Sydney Entertainment and will be on Friday 28th November and Saturday 29th November BUT dancers will be required from Wednesday 26th November in Sydney for rehearsals.

As there are only 12 positions available, students who are interested in participating in the Spectacular will have to audition at school. Students in Years 8 to 11 are able to audition. Auditions will be held next Wednesday 11th June at lunchtime in C1.

Students will not only be selected on their dance ability but their behaviour, school attendance, class work and attitude.

Students, who miss out on performing at the School Spectacular, will be given the option to purchase a ticket, to attend the Friday matinee show on Friday 28th November, leaving Orange early Friday morning and returning late Friday night.

See Mrs Hurford for more information.

Dance Studio

Over the past week Canobolas has undergone some major works and development in facilities for benefit of our students. No only has the gymnasium floor been resurfaced and the basketball court relined. Canobolas has now has its very own dance studio. Students who do elective Dance in Years 8-12 and those students who choose to participate in Dance for sport will now benefit from learning in a specifically designed dance studio.

Canobolas School Socks!

$10
Available through PDHPE & the school office
School Gym / Strength and Conditioning Facility
It’s open and available for use. Consent and membership forms available now!!
Canobolas has now opened its very own gym equipped with a variety of machines and free weights, enabling students and staff to join up and benefit from regular workouts. The facility is opened to students who are 15 years and over for a $20 annual fee and Year 12 students can join this year for $0. If you are interested in joining the gym and getting prescribed a strength and conditioning program, you can see the PDHPE staff for more information and consent forms. The gym will be open subject to need but mostly lunches and some days before and after school.

Orange Pre2 Football Gala Day
On Tuesday this week Canobolas was proudly represented by some volunteer students who assisted local Pre2 Primary schools by officiating at the annual gala day. The day was a huge success and the students were reported as fine representatives of our school. Pictured are Jacob Skelton, Joel Woods, Hugh Farley, Zac Workman, Mungo Pogson and Blake Boulton. They are pictured with the NSW Sport and Recreation Packages they received for their services. Congratulations boys we will be calling on you again in the future to officiate for our Primary Schools! Well done.
NSW CHS and Western Region Representatives
It has been a very successful fortnight for our sporting students. Congratulations to Feleti Mateo for being selected in the NSW Under 15 Combined High Schools Rugby League side, a wonderful achievement. Also in the past fortnight we have had Luke Skelton represent us as part of the Western Region Boys Hockey side and Kirstin McIntyre in the Western Area Girls Netball side at NSW CHS championships. Congratulations also to Miss CJ and Mrs Hurford who are elected Western Region coaches and managers for Girls Touch and Girls Netball.

PDHPE TOPICS
Year 7 ‘Say No To Tobacco’
Year 8 ‘Live Strong, Live Long – Lifestyle Diseases
Year 9 ‘Educate know your Fate- Drugs
Year 10 ‘Reduce the Dead Load, Be safe on the Road
Year 11 ‘ Core 2’
Year 12 Improving Performance Option

All students will have some form of assessable tasks to complete this term. For some years it will be in the form of an exam and others a set task to be completed in class / at home.

It is important to remember that the marks from assessment tasks are combined with students effort and participation in practical lessons to form a grade for reports. Non completion of assessment tasks limits the ability of teachers to accurately assess each student fairly. All work must be completed and handed in on time.

Ski Trip- Final Details and Payments Required

Listen to the notices for details and if you miss the compulsory Ski meeting you need to see Mr Skein as a matter of urgency.

Regional Athletics

Nominations are now due for Western Region Athletics to be held early next term. This year there are some changes to the qualifying for students. No longer can we send students who just come first and second in the events at our school carnival as Western Region has now enforced a set cut off for qualifying times for races and distances for throwing and running. Mr Curran and Miss Bruton are managing our squad and have the details of who has qualified from our carnival. They will be in contact with the students as soon as possible if you have any queries or questions regarding the qualifying standard you can find them at: http://www.sports.det.nsw.edu.au/western/trial_chp_info/sec_athletics.htm

Congratulations to all our fine sporting representatives and to all students who get in and enjoy sport and physical activity at Canobolas High School. It is a school which provides sporting representative opportunities and experiences above and beyond many other schools!

Mr Skein
Head Teacher PDHPE
Performance at ORC 2014 School Spec

Canobolas Music choirs - ViiVox and VocE entertained the packed auditorium at the annual Orange Regional Conservatorium School Spec on the evening of Wednesday 28th May.

Under the guidance of Samantha Bartholomeusz from ORC: Year 7 Choir ViiVox performed “Ngarra Burra Ferra” from the movie, The Sapphires, and the Sara Bareilles song “Brave” accompanied by Miss Aldrick on the piano.

Combined Choir VocE performed two acapella songs – “Bring me Little Water Sylvie” and an arrangement of “Wade in the Water” which featured solos by Hannah White and one by Laura Alexander with Ellena Hicks.

ORC staff commended our students for being talented, courteous and respectful during the concert which featured music ensembles from local schools.

Congratulations Zenaide Evans, Sidney Ewins, Naomi Heywood, Ashlea Iffland, Ristin Jones, Amelia-Rose Koller, Caitlyn Lennard, Henry Shepherd (Year 7)
Kelsey Freedman, Victoria Ruming (Year 8)
Ellena Hicks, Amber Harshman, Maddison Youngman (Year 9)
Laura Alexander (Year 10)
Hannah White (Year 12)

Involvement in Youth Musical – Want to be onstage? Here’s your chance

Canobolas Music was well represented at the Orange Theatre Company Youth Musical – Seussical the Musical Information Session on Sunday 1st June. Miss Aldrick is playing piano for all rehearsals and Nick Tucknott will be involved backstage for the show. A number of Music and Drama students from our school intend on auditioning for a part on stage, or backstage or in the band. Auditions are Sunday 8th and Sunday 15th June and the show will be staged in October. Information is available at www.orangetheatreco.com.au or from our Music Department Noticeboard. It is not too late to be involved. This is a great chance to be a part of a community theatre group and learn new skills associated with the Performing Arts.

Musical Excursion

After a successful excursion to Sydney to see the professional musical, Strictly Ballroom, Canobolas Music students have been given the opportunity to see Kinross Wolaroi’s production of The Wedding Singer Musical in Week 1 next term. This musical is based on the movie of the same name and features 80s pop/rock music. Please return permission notes and payment by the end of Week 8 this term to secure a seat at the theatre.

Miss Aldrick

Music Teacher/LOTE
Lithgow Festival of Speech
Last week eight students participated in the Lithgow Festival of Speech at Lithgow High School. Two teams were entered; the junior team consisted of Victoria Ruming, Kelsey Freedman, Jack Fliedner and Shardai McNeill and the senior team was Nabelia Smithers, Ellena Hicks, Harmon Whan and Cameron Rodgers. The junior team participated in some intellectually heated debates, winning their first two and were narrowly defeated in their third. They were congratulated on their sophisticated ideas, strong team arguments and impressive speaking skills by all the adjudicators. The senior team were commended on their positive attitudes and refined ideas but unfortunately they were unsuccessful in both of their debates. The senior team had never participated in a debate before and displayed courage and determination for undertaking such a daunting task.
All students were exemplary in their representation of the school and should be congratulated for being responsible and respectful to everyone involved in the Lithgow Festival of Speech.

ICAS English, Spelling & Writing Competitions
During the next fortnight many of our students will compete in the University of New South Wales ICAS English, Spelling and Writing competitions. These competitions allow students to demonstrate their skill in English and compete against students from all over New South Wales. We wish these students the best of luck! Look out for ICAS results in future editions of English Faculty News

Junior Press
On Friday 30th May 2014, The Canobolas Rural Technology High School featured in the Central Western Daily’s Junior Press. Students in the AcTAL class competed for the opportunity to have their work published in the paper. Each member of the class had to produce a newspaper article about their time in the AcTAL class so far, compose a photograph relating to their article and design an advertisement for their allocated business (TCRTHS designed an advertisement for the CWD itself). Although exceptional work came from every student, Henry Shepherd and Jayden Zegzula were selected to have their work published on the day. Congratulations boys and well done to the entire AcTAL class!

AcTal Ascends !
Work too easy in the top class? Need a challenge? Then the AcTal class is for you! The Canobolas Rural Technology High School has an all new high flying band of academically talented students in a class called AcTal. There are Year eights mixed with some of the top Year sevens with the will to fly! This class was set up to minimise distractions and to foster academically challenging activities. AcTal is about students learning material that they would normally be attempting the following year. This positions AcTal students to be ahead of the curve in developing abilities and skills with the assistance of the most effective teachers that Canobolas has to offer. One AcTal student, Nick Carter was pressed to describe a typical lesson in the English class with the dynamically enthusiastic Mrs Rose. He said it was “okay”. Just like the hit reality TV show “The Voice” if the students do not perform to the high standard required they are voted out and another steps up to the microphone with a laptop under their arm! This keeps the students in tune and all singing from the same song sheet.
GO 2014 – AcTal !

By Jayden & Henry (Yr 7)

Nick Williams
Head Teacher English
BIBLIOMANIA

A wide range of new books has been received in the library. Check out the new books stand.

Clare Strahan has just had Cracked, a new young adult novel, released, which deals with issues most teenagers care about: action and consequence, poor choices and fragile friendships, standing up for what is right and the attempt to make sense of a world where everything feels like it is falling apart. Related by sixteen year old Clover, a Year 10 student, the footy boys are bullies, her teachers suck and, to cap it off, her mother is a freak because she serves organic food and won’t allow her daughter to use Facebook. Discovering a passion for graffiti art, Clare starts to find an outlet for her feelings. Unfortunately Clare soon discovers that being cool and in the most popular group at school isn’t everything it’s cracked up to be.

Morris Gleitzman’s novels are always popular with readers. Loyal Creatures, explores the joy and tragedy of a sixteen year old volunteer, Frank Ballantyne and his horse Daisy in WW1. They were loyal creatures, both the men and horses of the Australian Light Horse, but war doesn’t always pay heed to loyalty. From Gallipoli to the famous cavalry charge at Beersheba, through to the end of the war, Frank’s story grows out of key moments in Australia’s history. This novel shows that in many ways the soldiers were no different to the horses and also that love comes in many different forms.

The next in the series Through My Eyes is set in Mexico. Emilio develops for the reader an insight into kidnapping and the drug war of the region. When Emilio Garcia Lopez comes home from school, it is to find the police in attendance with news of his mother, a successful businesswoman, having been kidnapped in broad daylight from a hotel car park. Emilio has to try and prove it was a case of mistaken identity. The Mexican drug war has claimed more than 40,000 lives since 2006 and shows no signs of let up. The fighting occurs between rival gangs battling for supremacy, and between them and the government. This action packed story is set in a contemporary conflict zone.

Another book concerned with war is One Red Shoe. This beautifully illustrated story often positions the photojournalist so that we see the narrator as one the characters. In others we see what the journalist is viewing through his lens. A variety of camera angles and lighting are used to relate the story of an international photojournalist, working from a small office in the Gaza Strip, who is summoned to report on the bombing of a bus containing young children. One boy has lost a leg in the explosion and the journalist covers the story of his rescue and treatment. This acclaimed picture book for older readers will take you to a place far from comfort and safety. Published in Germany, One Red Shoe has been nominated as one of the five most Beautiful Books of 2013 and allows the reader to empathise with the innocent victims of war and the seeming futility of the quest for peace between the Israeli and Palestinian peoples of the region.

Inside the beautiful cover of The Minnow we meet Tom, whose real name is Holly, as she tries to rebuild her life and in her longing for what is lost, she talks to fish who she sees as friends, not food. The minnow represents the future for the community, which lost so many members in a devastating flood. How do communities connect in the face of tragedy? Diana Sweeney has created a powerful and moving coming of age story with a whimsical element which is joined to the heartbreaking truth of grief and loss. Tom is a character you will never forget and you will think of her when the next disaster event occurs in Australia, whether it be bushfire or flood. This is a novel about letting go of those precious moments you spent with your parents and siblings that now can be no more.

If you like Fiona Wood, Cath Crowley or Jaclyn Moriarty, all popular borrowings here in the library, you will love Christine Bongers’ gripping new coming of age story Intruder. When Kat Jones is woken at midnight by someone looming over her bed, she screams. Her dad works night shifts, playing piano in the city’s bars as well as baking pastries. Her father and Kat decide not to tell the police he was not at home as Kat had been put into care three years before. So the person who saves her is “the evil witch” next door, the woman Kat believes betrayed her dying mother. Her father issues an ultimatum – spend the nights next door or accept Hercules, the ugliest guard dog, despite her fear of dogs.

The intruder phones Kat and poisons Hercules. Is Edwina really the evil witch Kate believes her to be? Did Kat really see what she thought she saw on the day of her mother’s death when she came across Edwina and her father together? Will the explosive truths she learns about her and Edwina’s shared past mend fences, or will they break apart her fragile family forever? The past is inescapable, and sometimes it traps us. Intruder is like an onion. It has many layers which readers will enjoy peeling back.

A reminder to those with outstanding books: books can be returned or renewed before school, recess or lunch. Remember that others may enjoy these books too, if given the opportunity to borrow them. There are no fines to be paid when overdue books are returned, only thanks for those acting responsibly.
YEAR 7 2015

Enrolment forms have been sent out to prospective Year 6 students. Please return your completed form to our school by Friday 27th June, the last day of Term 2. If any student did not receive a form please contact Mrs E Richard at Canobolas Rural Technology High School on 6362 1677.

P&C Fundraiser

The P&C are having a Krispy Kreme Donuts Fundraiser. Forms have been sent home with students, spares available at the Front Office. Get your order in to the school by Wednesday 25th June! Collection of your orders will be in the afternoon of 17th July.

DER LAPTOP CHARGERS NEEDED!

If you have seen a laptop charger at home that looks like the one below and is no longer in use, we need these chargers! Please give them to your child to bring into school. We have had a number of DER laptops that have been returned or put in for repair and never claimed, without bringing in the charger with the laptop. We are now short by 30 chargers and this is a huge cost to the school.

For every charger that is returned 5 merit awards will be given to the student!

If you have questions or know of where there are more please speak to Mr Childs.

Youth Forum in Orange NSW

Three powerful workshops will be held at the Orange Ex-Services Club to support young people, families/carers and youth workers to address today's challenges. Facilitated by the dynamic Nathan Hulls, Teen Behaviour Specialist, Motivational Speaker and Success Coach. This series of workshops helps adults understand teens, what drives their behaviours and how to create environments for developing resilience, engagement and motivation. Proudly sponsored by Orange City Council.

WORKSHOP 1

**YOUTH**

**WED 25 JUNE 2014**

**Time:** 9.30 — 2.30pm

In liaison with Council’s Aboriginal Youth Project Officer, a targeted group of students (Yrs 9-12) from each local school are invited to attend this Workshop.

Topics include:

- Decide Your Own Destiny
- Be The Change
- Identify Positives
- Identify Local Concerns
- Identify Solutions for Youth
- Be Inspired

Contact your school to be part of the day or Kurt Beahan on P 6393 8628 kbeahan@orange.nsw.gov.au

Bus transport, lunch and information will be provided FREE of charge to local students

RSVP by Mon 23 June

WORKSHOP 2

**PARENTS AND CARERS**

**WED 25 JUNE 2014**

In partnership with local service providers parents and carers are invited to attend two Workshops:

**Time:** 5.30 - 6pm Belinda Bostock
School Liaison Officer, Canobolas LAC, NSW Police Force
- Cyber Bullying

**Time:** 6 — 8pm Nathan Hulls
Topics include:
- How To Engage and Motivate Teens
- 10 Things Extraordinary Parents Say To Their Kids

Nathan is passionate about the power of the words we speak to and over our kids to shape their beliefs and their future. This workshop will cover 10 extremely simple, but so extraordinarily powerful phrases which can be implemented in the setting of supporting and nurturing your children as they grow to be their best. If you want to make a huge difference in your young persons world and equip and empower them to become all that they can be then be sure to get to Nathan’s Presentation. Light Catering Provided.

Limited FREE seats available. Register by phone at:
Orange Ex-Services P 6362 2666

or Local Service Providers listed below

LUNCH provided.

WORKSHOP 3

**YOUTH WORKERS**

**THUR 26 JUNE 2014**

**Time:** 9.30-Reg/Network 10am—3pm

This workshop helps youth service providers understand the ‘current state of play’. Topics include:

- The 6 Core Needs of Teens
- 3 Fears, 3 Questions and The Developmental Phases
- Behaviour Types, Communication and Motivation
- Emotional Intelligence and The Happiness Effect

Participants will walk away with a greater understanding of what makes teens and young adults tick, how to communicate and engage with them, how to keep them motivated and how to involve them in youth led initiatives and organisations for maximum buy in.

LUNCH provided.

**TICKETS: $25**

Tickets available at Orange Ex-Services Club by Monday 23 June 2014. Further details:
