**INDIGENOUS DANCE TROUPE**

**Traditional Dancers**

The Traditional Dance group were recently invited to perform at Glenroi Public School during a smoking ceremony.

Green leaves were placed on a small fire in the middle of Glenroi’s yarning circle. The fire built up slowly and then students and members of the community walked through the smoke. The smoke is believed to cleanse both the people walking through it, as well as the area. Everyone present was encouraged to leave their troubles behind and to begin something new.

The ceremony ended with the girls performing one of their traditional dances. It was a positive and uplifting experience for everyone present.

**Rekindling**

Congratulations to Jada Murphy, Joan Shillingsworth, Brianne Wise and Kiea Wise who have been accepted into Rekindling, an intensive dance program run by Bangarra Dance Theatre.

Over the next two months, the 4 students will participate in intensive workshops which focus on storytelling through dance. They will spend time exploring who they are and where they come from. Jada, Joanie, Brianne and Kiea will research and gather stories with the help and guidance of local elders and use this to develop their creative and performance skills through dance.

All 4 students are excited by the opportunity to work with artists from Bangarra, one of Australia's leading performing arts companies.

*Mr T Bennett*
Dear Parents and Members of our School Community

Welcome to week 6. Next week we will formally welcome our Japanese exchange students and their teachers to our school. Fifteen students and 2 staff will travel from Toyo Ushiku school in Japan to our school as part of the annual sister school exchange between both of our schools. Our guests will be visiting a number of classes and participating in activities such as Ceramics, Cooking, Art and Music. I would like to thank our families and staff who have volunteered to host our guests for their two week stay. I am sure our guests will have the time of their lives and I am looking forward to spending some time with them next week.

Open School Afternoon
Next Tuesday, 10th March we will be holding an “Open Classroom” afternoon for all potential student enrolments for 2016. This will be an opportunity for families to view our wonderful programs, facilities and features of our school. The afternoon will commence at 4pm and conclude at 5.30pm. I would encourage all families who have children in primary school to come along and see what we have to offer your children.

If you would like further information, please do not hesitate to contact myself or my office staff for further information.

Academically Talented Program
Over the coming weeks, families of students in local primary schools will receive application forms for our Academically Talented classes for 2016. This is an exciting opportunity for our academically talented students and we are committed to ensuring that we continue to offer programs for all of our students to develop and grow them academically, socially, culturally and emotionally. Information is available on our school website.

Year 11 and 12 Parent Teacher Information Evening
On Tuesday next week, 10th March from 6pm till 7pm we will be holding a parent information evening for parents and students in Years 11 and from 7pm till 8pm for Year 12. The evening will focus primarily around requirements for the senior school in Year 11 and expectations as we approach the HSC in Year 12. On hand during the evening will be representatives from Charles Sturt University, University of Western Sydney, Western TAFE, along with all Head Teachers as well as our careers adviser, Mr Marriott. I would encourage all families and their children to avail themselves of this opportunity to listen to and discuss with our staff, any question you may have.

P&C Meeting
On Wednesday 11th March our P&C will hold their next meeting for the year. This is a fantastic opportunity for you to become involved in our school. The meetings commence at 6.30pm and usually run for an hour or so. Further information can be obtained from our President, Mrs Keryn Percival by email on ikpercival@bigpond.com
Tell Them From Me
All students will be participating in a student survey over the next 2-3 weeks to gain an insight into their thoughts about The Canobolas Rural Technology High School. The school is doing this in order to find out what is working very well in the school, where we may need to do things differently, what students feel is important, what we can further develop and to gain ideas for making the school even better than it is.

The survey will be done during class time using computers and all answers are completely confidential. If you do not wish for your child to participate in this survey, could you please call the school on 63621677.
Thank you for your ongoing support for our school.

Millthorpe Markets
On Sunday 22nd March, we will be manning a stall at the Millthorpe markets talking to the public about the wonderful programs and opportunities that attending Canobolas High School affords our students. If you are planning to attend the markets it would be great if you called in to say hi to our staff and students.

Congratulations
Finally this week, it gives me tremendous pleasure to announce that four of our wonderful students have been selected to participate in a Bangarra Dance Company program to be held across three weeks this month and early next term. This is an amazing opportunity for our students and one which will give the girls the opportunity to further participate in dance programs with world class choreographers and dancers. Congratulations to Brianne Wise, Kiea Wise, Jada Murphy and Joan Shillingsworth. The girls are very excited and I am sure you will join me in congratulating them.
I hope you have a great fortnight and I look forward to speaking with you all in week 8.
With my warmest regards

Chad Bliss
Principal

PBL FOR UPCOMING WEEK 7

I WILL FOLLOW INSTRUCTIONS
GOOD STUFF!

Reaching out to help teens

By Tanya Marschke

Volunteers are being sought across Orange to become mentors for students at Canobolas Rural Technology High School next term.

Sydney-based mentoring program, Raise The Youth Mentoring Foundation, has received government funding to run the Youth Frontiers Program in Orange.

Program director Jenny Moulder said the foundation has run similar programs in Sydney and Melbourne with positive results and was excited about reaching out to teenagers in regional areas.

Mrs Moulder said some of the improvements she has previously seen included improved relationships between teenagers and their parents, ability to get homework done and ability not to truant.

The students selected at Canobolas Rural Technology High School would be aged about 14 to 15 and come from years eight or nine. The number of students would depend on how many mentors were available.

“We have a few people signed up and we are hoping to get some really great adult role models,” Mrs Moulder said. “I think any age group is actually fine. We are looking for people that can listen to a young person, not put their views on them... a person that a young person can look up to.”

Canobolas Rural Technology High School principal Chad Bliss said because he wanted to help students who are at risk of becoming disengaged from school, ideal mentors were people who have also had trouble or not been interested in school but have made a success of their life.

“What we would really like to have is business people or people who have been successful in their own rights, not necessarily the John Davis-type mentor but people who may have been disenfranchised at school and gone on to be successful,” Mr Bliss said. “They may have done things a little bit tough but have turned their lives around.”

Mr Bliss said he also wanted Aboriginal people from Orange and, if possible, Aboriginal elders to help mentor for added inspiration for Aboriginal students.

Once trained, mentors will help students to identify and achieve their goals, be a listening ear and be a neutral, positive role model for students who need additional support.

Volunteers would spend about two hours a week before lunch on either Monday or Tuesday, spending time with the students and debriefing with a program counsellor.

The focus will be on leadership and civic engagement with a new theme each week focusing on topics such as self-esteem building, goal setting and civic and educational engagement.

TAFE-accredited mentor training will be on March 13 in Orange and all mentors must complete Working With Children Checks and National Police Checks.

The Read Centre is Open!

In Week 5 the much-anticipated ‘READ Centre’ opened its doors to students in Years 7-10. This unique learning environment was well received by students who were impressed with the layout and structure of this room.

The READ Centre is a unique reading program run through regular English classes. Depending on a student’s class, the READ Centre will be accessed once a week or once a fortnight. Each student in this program self-selects a text from the variety of novels, picture books, graphic novels, non-fiction texts and magazines available. Once students select their text, they read for 20 minutes. However, the scope of the program doesn’t stop there! There is a specific focus every lesson and students have to effectively read for meaning, look to identify the main idea or purpose of their text or make predictions and synthesise information.

There are many aims and benefits of the READ Centre program which include increasing a student’s interest and abilities in reading, improving a student’s general knowledge by exposing them to a wide range of texts and enhancing students’ basic literacy skills that will assist them with their studies and participation in life outside of school. The READ Centre will be on show during our Open Classroom afternoon. Come in and see what this learning space has to offer!

The Premier’s Debating Challenge

Debating is a fantastic way to improve your public speaking and lateral thinking skills. It is also a great way to further your knowledge of the world and formulate and express your opinion about important issues in a coherent and logical way. Once again, The Canobolas Rural Technology High School has entered a number of teams in the Premier’s Debating Challenge. One team each has been entered in the Year 7&8, 9&10 and 11&12 competitions. If you are interested in being part of a debating squad for your respective year group, please speak to your English teacher.

Upcoming English Assessment Tasks

All students in Years 7-12 will complete a variety of Assessment Tasks throughout the year. I would encourage you to look at your child’s Assessment Policy and Procedures booklet which outlines all of the formal assessment tasks that they will complete throughout the year. Some of these tasks will be completed in class and others will require students to work on them at home. Please find below a table of tasks that are due before the end of the term.

**ANZAC Memorial**

In honour of the 100th anniversary of the ANZAC landing at Gallipoli, our senior VET Construction and Metal and Engineering students have been constructing an ANZAC Memorial at the front of the school. Thanks go to Orange RSL, Orange City Council and Bunnings for their support of this project. Metal and Engineering students from Year 12 have been fabricating steel posts for the fence around the memorial.

Construction students from Year 11 and 12 have been working with Mr Kay and Mr Sugden to prepare the concrete slab that will be the base for the memorial.

---

**Stage 5 AcTal - STEM Connections Project**

This week we commenced our STEM (Science, Technology, Engineering and Mathematics) Project on behalf of the ACARA, the national curriculum authority. We are one of three school in NSW working on this!

Our project began with making prototype mousetrap powered dragsters. Once built, we tested them to measure the distance travelled and the time taken to travel the distance. The next step is to calculate the speed the dragsters were travelling, to help inform us when we redesign them.

WIN TV News and the Central Western Daily popped in to check out our work, links to the video and newspaper article are on our school Facebook page!

---

**For Sale By Tender**

Woodfast Timber Table Saw. 3 Phase 415V (hard wired). Fair condition. Sold as-is with no warranty. Machine is very heavy, buyer to organise collection and loading, from the school. Supplied with no blade.

For information and inspection call Mr Scott on 63621677.

Tenders in writing to the Principal Mr Bliss, either by email chad.bliss@det.nsw.edu.au or by letter dropped into the school by Friday 20th March at 2.30pm
We’re getting in rhythm! All Music classes and ensembles have worked hard to learn the foundations of music and musical styles and are now working on composition and listening assessment tasks.

Don’t forget to check the Canobolas Music website for information on all things musical. https://sites.google.com/a/education.nsw.gov.au/canobolas-music/
On Friday 20th February the Open Boys Cricket team faced our local rivals Orange High in Round 1 of the Western Area Knockout- Alan Davidson Shield at Jack Brabham Park. Canobolas teams have been in an 8 year drought of winning a game of cricket, and this was the day we were most eager to change these odds. We lost the toss and fielded first. Captain Max Pearce led the team out full of enthusiasm and encouragement. The opening bowlers were tidy with Mitch Bealsey bowling well and picking up 3/12 off 5 overs. Harry Pearce (2/17) and Jacob Wadwell (2/21) kept the bowling tight and secured some crucial wickets. All boys fielded well and some great catches were taken by Aiden Kelly and Luke Wilde. But it was Hugh Farley’s spell that cleaned up the tail end with a powerful spell of 3/7 off 3 overs. Orange High was bowled out for 93.

Canobolas went into bat quite confidently only needing a run rate of just under 2 an over to win the match. Our opening batters Keagan Jackson (8) and Jacob Wadwell (17) gave us a solid start, seeing out the opening bowlers. By the 15th over Canobolas were on top, with only two wickets down. Some more handy batting followed with Lachlan Griffith (7) and top scorer Mitch Beasley (28). Aiden Kelly and Max Pearce had a great partnership to end the match with Max Pearce hitting the winning runs with a lovely front foot drive through covers for 4. Canobolas won the match by 4 wickets.

Congratulations to our Man of the Match Mitch Beasley for outstanding efforts with both the ball and bat.

We could not be prouder of the Open Boys Cricket team, and we are eager to maintain our winning streak facing Henry Lawson High School, Grenfell at home in the next two weeks for Round 2 of the Western Area Knockout. Well done boys.

Miss Daisy Morrissey
Canobolas Basketball Success at WSSA Knockouts
The Open Girls Basketball competed in the Western School Sports Association knockout competition on Friday 27th of February at the Orange PCYC. The teams draw managed to pair them against Bathurst High School for their first game, fierce competitors who our Canobolas High team, though not through a lack of trying unfortunately went down 67-0. The second game saw the girls play Oberon High School and in a show down finish, lost 12-13 on the buzzer!! The third game saw our team come together to pull off a great 1 point win over Canowindra, ending the game 9-10 our way!. The last game of the day was the decider as to whether our team would progress to the next round against Orange High School. Again fierce competitors who defeated Canobolas High School 28-5, which unfortunately means that the girls team will not progress to the next round of the competition. Thankyou to the parents who came and supported our team on the day and to Tristan Harrison for helping coach the girls and who also came and supported them on the day. Mostly a well-deserved congratulations to the girls for their great effort, enthusiasm and teamwork throughout the entire day, you should be proud of your efforts and the way you represented Canobolas High School, well done!

Last Friday the Open Boys and Girls Basketball teams competed in the first round of the Western Region Open Basketball competition. The boys had their toughest game of the day first off against Bathurst. A strong start saw them take the lead early and maintain it for the remainder of the game, despite a late rally from Bathurst. The second game was initially close against Oberon, but Canobolas eventually found their form and ran away comfortable winners.

The final game against Canowindra saw Canobolas completely outclass their opposition, bringing home a very big win. The boys progress automatically to the Western Finals.

Matt and Andrew Gray were outstanding performers all day.

PhyzX Care for Our Athletes
CHPA Care for Their Bodies
Congratulations CHPA’s Brad Roberts Named Orange Ex-services Club Junior Sports Person of the Year!
School Team Sports
This time of the year is a very busy time for sporting teams and coaches. There are a number of sports being played in the next 6 weeks before the end of the term. Listen carefully to notices in roll call and join Canobolas High School PDHPE on Facebook for the latest information. Nominations for sporting teams are on the PDHPE Notice Board. Good luck to the teams competing in the next couple of weeks. Stay tuned for results and photos as they come in.

WSSA Regional Sport Trials
If students are interested in trialling for Western Region Sports Teams this term please see the PDHPE staff for more details.

PDHPE Assessment Reminders
I reminder that if your child does not complete an assessment task and hand it in on time for marking it will affect the overall grade they are awarded for PDHPE. This grade also has a practical effort, attitude and participation mark for lessons where students participate in practical games, sports and various physical activities. Please note that this component of the course is compulsory and students may only be excused from these classes with a medical note during the time of injury recovery.

ATHLETICS CARNIVAL TO SEE THE CLOSE OF TERM 1
Thursday April 2 Canobolas will host our annual Athletics Carnival. Nominations are now open for all events. Students are required to pre-enter for events so an event program can be produced for them on the day. If your son/daughter has not yet pre-entered, an entry form is attached below and can be returned to PDHPE ASAP.

Relays will be organised on the day with the fastest 100m runners in each age group required to run for their house. Sports house captains leading their teams into the carnival are:-

Girls in Trades Work Experience
Orange Business Chamber is currently delivering a project funded by Women NSW which aims to increase the number of young women willing to consider working in a non-traditional trade. This project provides an exciting opportunity for current year 9, 10 or 11 students to try a trade by way of work experience in a non-traditional trade/occupation career path. The Orange Business Chamber project coordinators match the female students work experience requests with suitable host employers. This work experience can be organised during the school’s normal work experience schedule, school holidays or anytime between now and the end of April 2015.

2015 INTERNATIONAL WOMENS DAY — ORANGE REGION —

FREE WOMENS EXPO
MAKE IT HAPPEN — LET’S NOT WAIT!
SUNDAY 8 MARCH 2015 2-6 PM

JULIE CROSS is a multi-award winning Speaker and a non-award winning Mother of Two!
She has been described as an ‘Inspirational Entertainer’, with a thought provoking and life changing message...

“Empowering Up!” Because it is time!
The relationship and conversation you have with yourself will affect every relationship and conversation that you have!! You will be entertained, you will laugh, you will be challenged and you will have many moments that you see yourself in, you will be taken on a lively, feeling, thinking, soul nurturing and sometimes confronting journey that will rouse your senses, stir your emotions and challenge you to take action... it’s not just a ‘seminar’ or a ‘presentation’... it’s a SHOW!!

REGISTER NOW FOR YOUR FREE TICKET - SEATS ARE LIMITED

Bring a friend, a daughter or your mum, and join us for an empowering, fun and social afternoon of celebration. Special guest performances by Atahila Sutherland and Donna Riles. Be inspired by Robyn Robertson of Bathurst’s Red Chair Boutique who will share information on colours and styles to suit you, and be entertained by Julie Cross. Free ‘cupcake and cuppa’ will be served with networking opportunities and stalls by local women in business for women. Join us for a fun and social afternoon...

Dear Families,

The Canobolas Rural Technology High School is proud of its successful Japanese Student Exchange Program and highly values its close relationship with Toyo Ushiku High School in Japan.

A group of 17 students and two teaching staff will be visiting our school on March 10th 2015, and once again, our students and their families have the wonderful opportunity to welcome a guest into their home.

This is a fantastic opportunity for families to experience students from our Sister School in Ushiku Japan and to help your guest/s to take part in real life experiences during their time Australia. All host families will be provided with a calendar of events and activities planned for the visiting students during their stay in Orange.

This visit is part of the Sister City Program between the cities of Ushiku and Orange, and its success has been due to the continued support of our school community.

If you are interested in hosting one or more of the visiting students please contact Vince Lovecchio on 6362 1677 or send email to vince.lovecchio@det.nsw.edu.au. Due to the popularity of the program, it is advised that you inform the school of your interest as soon as possible to avoid any disappointment.
What does your future look like?

- Get paid while you learn
- Nationally recognised qualifications
- Huge range of industry choices
- Ongoing training, mentoring and support
- Clear pathway to business ownership

Would you be keen to complete work experience in a trade?

Please tick which trade that may be of interest to you:

- Motor Mechanic
